RORO Storage waiver

We at Grimaldi and PTML are mindful of difficulties faced by our customers during the lock down in many states and cities for last 4 weeks due to COVID-19 pandemic. Our national and state governments have started to open the economy since Monday.

Thus to assist our valued customers with their cash flow, PTML is announcing a special storage waiver palliative with immediate effect as below.

PTML will freeze (stop) storage charges to a **maximum of 60 days** from the discharge date for all vehicles for next couple of weeks. What it means that the customer will pay for 60 days storage and the rest would be waived.

We therefore encourage all customers who have vehicles inside our terminal to come forward and take delivery immediately.

HURRY OFFER LIMITED TILL 23rd MAY 2020

Please contact our customer care center for issues.
